SUBSTANTIAL COMPLIANCE AUTHORIZATION FORM

This form, and supporting documentation, must be submitted to the Human Rights Commission (along with HRC-12B-101) by entities contracting with or bidding on contracts with the City and County of San Francisco who wish to delay ending their discrimination in benefits pursuant to the Rules of Procedure, as set out below.

A. Open Enrollment

C. Collective Bargaining Agreements (CBA)

Ending discrimination in benefits may be delayed until the expiration of a City Contractor’s Current collective bargaining agreement(s) where the all of the following conditions have been met:

1. The provision of benefits is governed by one or more collective bargaining agreement(s);

2. The City Contractor takes all reasonable measures to end discrimination in benefits by either requesting that the Union(s) involved agree to reopen the agreement(s) in order for the City Contractor to take whatever steps necessary to end discrimination in benefits or by ending discrimination in benefits without reopening the collective bargaining agreement(s); and

3. In the event that the City Contractor cannot end discrimination in benefits despite taking all reasonable measures to do so, the City Contractor provides a cash equivalent to eligible employees for whom benefits are not available. Unless otherwise authorized in writing by the Director of the Human Rights Commission or the Director’s designee, this cash equivalent payment must begin at the time the Union(s) refuse to allow the collective bargaining agreement(s) to be reopened, or in any case no longer than three (3) months from the date the contract with the City is entered into.

For a delay to be granted under this provision, written proof must be submitted with this form that:

• The benefits for which the delay is requested are governed by a collective bargaining agreement;
• All reasonable measures have been taken to end discrimination in benefits (see Section C.2, above); and
• A cash equivalent payment will be provided to eligible employees for whom benefits are not available.

D. Closest Approximation Available

A City Contractor will not be deemed to be discriminating in the provision of benefits where, after taking all reasonable measures, the City Contractor is unable to end discrimination in benefits and instead provides the closest approximation of equal benefits available. If the cost of providing the closest approximation of equal benefits is at least 33% less expensive than the cost of providing equal benefits, the City Contractor must also make a cash equivalent payment.

For a delay to be granted under this provision, a contractor must submit with this form:

1. A description of benefits currently offered;
2. A description of the closest approximation of benefits to be offered to those employees from whom current benefits are unavailable;
3. A completed Reasonable Measures Form HRC-12B-102, documenting that the current benefits are not available to all employees; and
4. If the contractor’s cost of providing equal benefits is 33% less than the cost of providing the closest approximation of benefits, written proof must be submitted that a cash equivalent payment will be made.

I declare (or certify) under penalty of perjury under the laws of the State of California that the foregoing is true and correct, and that I am authorized to bind this entity contractually.
